

## NMSU Available Products

**NMSU Faculty, Staff and Students will have access to these products on NMSU's MATLAB Site License.**

MATLAB	Mapping Toolbox
Simulink	Neural Network Toolbox
Aerospace Blockset	Optimization Toolbox
Aerospace Toolbox	Parallel Computing Toolbox
Bioinformatics Toolbox	Partial Differential Equation Toolbox
Communications System Toolbox	RF Blockset
Computer Vision System Toolbox	RF Toolbox
Control System Toolbox	Signal Processing Toolbox
Curve Fitting Toolbox	SimBiology
DSP System Toolbox	Simscape
Data Acquisition Toolbox	Simscape Electronics
Database Toolbox	Simscape Fluids
Datafeed Toolbox	Simscape Multibody
Embedded Coder	Simscape Power Systems
Filter Design HDL Coder	Simulink Coder
Fixed-Point Designer	Simulink Control Design
Fuzzy Logic Toolbox	Simulink Desktop Real-Time
Global Optimization Toolbox	Spreadsheet Link
HDL Coder	Stateflow
HDL Verifier	Statistics and Machine Learning Toolbox
Image Acquisition Toolbox	Symbolic Math Toolbox
Image Processing Toolbox	System Identification Toolbox
Instrument Control Toolbox	Wavelet Toolbox
MATLAB Coder	MATLAB Distributed Computing Server – 32 workers
MATLAB Compiler	
MATLAB Compiler SDK
